Green Island Foundation School (A Project of GIT)

Cir 26-27/001 18th July 2026

Dear Parents / Guardians,

Assalam-o-Alaikum,

Green Island Foundation School has been meticulously serving the community for the past 21 years. It is noteworthy that Cambridge's curriculum is comprehensively covered within our educational system, starting from the early grade till the Eighth standard. Alhamdo Lillah, now we have introduced the O Levels curriculum starting August 2024.

We are pleased to inform you that your child **Hoor-e-Insia** has qualified for **100%** scholarship based on her prior academic record. Please be informed that the scholarship offered will be regularly reviewed after every examination. The subjects offered will be as follows:

Compulsory: English (1123), Urdu (3248), Mathematics (4024), Islamiyat (2058), Pakistan Studies (2059)

Optional:
Stream 1 – Chemistry (5070), Physics (5054), Biology (5090)
Stream 2 – Chemistry (5070), Physics (5054), Computer Science (2210)
Stream 3 – Accounting (7707), Economics (2281), Computer Science (2210)

Examination Timeline for Enrolled Students:

It is a 2-year program, i.e. students enrolling for Session 2026-27 will appear for their first O Levels examination in 2027 or 2028. Upon successful completion of the program, they will be eligible to graduate in 2027 (O1) or 2028 (O2). To accelerate their progress, extra classes will be held on weekends, during vacations, and online in the evening. Your cooperation and continuous support will be crucial for motivating and supporting your child to achieve academic excellence.

We are confident that O Levels at GIFS will enrich the educational experience of our students and empower them to achieve their fullest potential. We are looking forward to see wonders happen in nurturing the next generation of leaders and innovators through our support and partnership.

Warm Regards,

GIFS Management

Green Island Foundation School (A Project of GIT)

Cir 26-27/001 18th July 2026

Dear Parents / Guardians,

Assalam-o-Alaikum,

Green Island Foundation School has been meticulously serving the community for the past 21 years. It is noteworthy that Cambridge's curriculum is comprehensively covered within our educational system, starting from the early grade till the Eighth standard. Alhamdo Lillah, now we have introduced the O Levels curriculum starting August 2024.

We are pleased to inform you that your child **Syed Murtaza Raza Rizvi** has qualified for **65%** scholarship based on her prior academic record. Please be informed that the scholarship offered will be regularly reviewed after every examination. The subjects offered will be as follows:

Compulsory: English (1123), Urdu (3248), Mathematics (4024), Islamiyat (2058), Pakistan Studies (2059)

Optional: Stream 1 – Chemistry (5070), Physics (5054), Biology (5090)

Stream 2 – Chemistry (5070), Physics (5054), Computer Science (2210)

Stream 3 – Accounting (7707), Economics (2281), Computer Science (2210)

Examination Timeline for Enrolled Students:

It is a 2-year program, i.e. students enrolling for Session 2026-27 will appear for their first O Levels examination in 2027 or 2028. Upon successful completion of the program, they will be eligible to graduate in 2027 (O1) or 2028 (O2). To accelerate their progress, extra classes will be held on weekends, during vacations, and online in the evening. Your cooperation and continuous support will be crucial for motivating and supporting your child to achieve academic excellence.

We are confident that O Levels at GIFS will enrich the educational experience of our students and empower them to achieve their fullest potential. We are looking forward to see wonders happen in nurturing the next generation of leaders and innovators through our support and partnership.

Warm Regards,

GIFS Management
