VISION

To foster a stimulating learning environment which actualizes individual potential, caters academic, creative, personal, physical, moral & most importantly spiritual development & ensures that all students are nurtured to meet the challenges of the world and the hereafter.

LITTLE STEPS TOWARDS BIG HEALTH: ECD I & II MEDICAL CHECKUPS LAUNCHED!

At Green Island Foundation School, we believe that nurturing young minds begins with caring for their overall well-being. In line with our commitment to holistic development, the month of March saw the launch of Comprehensive Medical Examinations for our littlest learners in ECD I and ECD II.

What's Included in the Checkup?

Our school partnered with qualified healthcare professionals to conduct thorough health screening, which included:

- General Physical Examination
- Systemic Examination
- Height & Weight Measurement
- Dental Checkup

These assessments are designed to identify any early signs of health concerns and reinforce healthy habits and personal care awareness from an early age.

Parental Notification & Participation

- Prior to initiating the health checkups, a message was sent to all ECD I & II parents informing them that the health checkup is mandatory for all students and asking them to submit a copy of their child's updated vaccination certificate/card.
- A wholehearted appreciation is extended to all parents for their enthusiastic cooperation, which played a vital role in ensuring the success of this important initiative.

Because Every Child's Health Matters!

This is just one of the many steps GIFS is taking to ensure that every student grows up in a safe, caring, and healthy environment. We look forward to continuing such wellness-focused activities throughout the year.

REGISTRATION & CLASSES COMMENCEMENT

- The registrations for Ramazan classes closed at the end of February 2025. Classes commenced on 28th February, with the first lecture focusing on the importance of Ramazan. Junior students also engaged in a coloring activity related to this topic to make the learning experience more interactive.
